## About Us

Geometria Media Company is a leading force in the DOOH advertising sector, managing over 1,500 premium digital screens in high-traffic urban locations such as supermarkets, shopping malls, plazas, and fitness centers. The extensive network of urban panels and LED billboards generates more than 3.7 billion monthly impressions, driving strong advertising demand across multiple industries.

Operating in five key states - New York, New Jersey, Pennsylvania, Illinois, and Florida - 71% of media assets are concentrated in New York, solidifying Geometria's position as a dominant market leader.

Traffic and impressions at every location are measured by PerView, the industry-standard measurement company.
