About Us

Geometria Media Company is a leading force in the DOOH advertising sector, managing over 1,500 premium digital screens in high-traffic urban locations such as supermarkets, shopping malls, plazas, and fitness centers. The extensive network of urban panels and LED billboards generates more than 3.7 billion monthly impressions, driving strong advertising demand across multiple industries.

Operating in six key states - New York, New Jersey, Pennsylvania, Illinois, Florida, and Massachusetts - 71% of media assets are concentrated in New York, solidifying Geometria's position as a dominant market leader.

Traffic and impressions at every location are measured by PerView, the industry-standard measurement company.

A close-up, low-angle shot of a man with a grey beard and mustache, wearing a light-colored t-shirt and a gold chain. He is holding a professional video camera with both hands, looking through the viewfinder. The camera is a black DSLR-style camera with various attachments. The background is blurred, showing what appears to be a studio or office environment with some equipment.
