Urban-facing screens with advertisements offer significant benefits for small businesses:

- up to a **30% increase** in foot traffic
- **47% boost** in brand awareness among passersby
- **60%** of consumers are **more likely** to visit a location after seeing a digital ad
- urban signage can lead to a **29% rise** in impulse purchases

Urban screens allow businesses to update content in real-time, effectively communicating promotions and boosting customer engagement.

Overall, they offer a solution for small businesses to enhance visibility and drive sales in competitive markets.
